All, please let me know if you have a different or more precise recollection of FDEP's response on this concern.

Hello, all – Our biweekly updated for Mary has been bumped to next week due to her travel, but we're still going to provide the assumption status briefing sheet.

If you have any corrections or additions, could you send them my way by COB tomorrow (Thursday), please, so I can compile and send Friday? I'll send the updated version back out to all of you.

Trying something new this time - the blue text indicates new/changed items. I left other key status elements in there (e.g., "Governor signed bill into law on Friday 3/23") as key milestone reminders, but thought Mary can save time by skipping old news.

Thank you,
Rosemary
